

## Equipment List for Outdoor Education

The following is a list of clothing and equipment, which will make your stay at outdoor school more comfortable. Since space is limited, please plan your luggage to include only a sleeping bag or sheets and a small suitcase. Please avoid new items of clothing, especially shoes as these may cause blisters.

Temperatures may range from below 30 degrees at night to 90 degrees in the day depending on the season and location. It is good to plan for layers of clothes that can be added or taken off as the temperature changes. It is suggested that you check the weather to prepare your student before they leave for science school.

This list is designed for a full week program. Amounts can be adjusted for shorter programs.

- |  |   |
|--|---|
| _____ Sack lunch for arrival day           | _____ 1 pair of pajamas                       |
| _____ Several changes of underwear         | _____ 1 pair hiking shoes (optional)          |
| _____ 1 pair shower shoes                  | _____ 2 pairs of athletic shoes (worn in)     |
| _____ 6 pairs of socks                     | _____ 3 pairs of jeans or long pants          |
| _____ Shirts                               | _____ Warm jacket or heavy sweater            |
| _____ Raincoat or poncho                   | _____ Flashlight                              |
| _____ Pencils or pens                      | _____ Handkerchiefs or a small box of tissues |
| _____ Lip balm (Chapstick, Vaseline, etc.) | _____ Water canteen or water bottle           |
| _____ Camera (disposable suggested)        | _____ Day pack (optional)                     |
| _____ Bible                                | _____ A book to read in the cabin             |

### Seasonal items:

- |                             |                     |                  |              |
|-----------------------------|---------------------|------------------|--------------|
| _____ Hat and gloves or cap | _____ Sunscreen     | _____ Bug spray  | _____ Shorts |
| _____ Extra pair of pajamas | _____ Winter jacket | _____ Rain boots |              |

### Toilet Kit should include:

- |                                 |                           |                            |
|---------------------------------|---------------------------|----------------------------|
| _____ Comb/brush                | _____ Soap in a container | _____ Towels and washcloth |
| _____ Toothbrush and toothpaste | _____ Shampoo             | _____ Deodorant            |

### Bedding

Sleeping bag or two blankets and a sheet, pillow. It helps to pack the sleeping bag in a labeled garbage bag which can then be used for dirty/wet clothes later in the week.

There are several items that **you must not bring**. They are: electronic devices of any kind, cell phones, knives, weapons, razors, sharp tools, pets (real or virtual), gum and snack foods, or anything not allowed at school.

Please mark all clothing and other personal items. This will avoid confusion and loss.

### Mail

Students enjoy receiving mail. Please write to your student using the following address format to the right and postmark the envelope 3-5 days in advance of delivery date to ensure that they get mail while they are at camp.

Student's Name  
School Name  
Camp Address
